

### AIMS

1. To establish a worldwide community for teacher education
2. To promote the development of teacher education associations throughout the world
3. To represent the interests of teacher education associations to international bodies and organizations
4. To provide equitable educational opportunities by promoting quality teacher education throughout the world

## Who We Are

### About Us

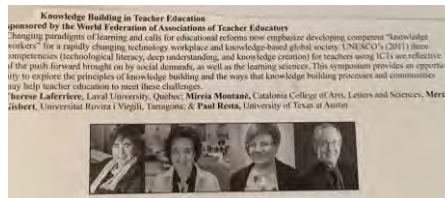

The World Federation of Associations of Teacher Education has the mission of building a global community of teacher educators and to promote trans-national collaboration, support, and research and development in teacher education.

**First Biennial Conference: Chicago**

**Second Biennial Conference: Nairobi**

**Third Biennial Conference: Beijing**

**Fourth Biennial Conference:  
Barcelona**

**Fifth Biennial Conference: Melbourne**

**Research Institute: July 2019 Calgary**

### **Coming up:**

**Sixth Biennial Conference: Fall 2020  
Houston Texas**

**International Research Conference  
Developing Educators For Leadership  
in the Schools**, sponsored by Kappa  
Delta Pi, WorldFATE, and Mount Royal  
University, focused on leadership for  
professional growth and educational  
innovation.

This international conference brought  
together educational researchers,  
education experts, teachers, educational  
administrators, undergraduate students,  
and graduate students who have  
theoretical and practical knowledge of  
the education of children and adults.

### **Sixth Biennial Conference**

The 6th Biennial WFATE Conference will  
be held in Houston, Texas, USA. The  
theme of the conference: "**Social Justice  
in Education. Celebrating Diversity,  
Inclusion and Interculturalism in Our  
Global Society**". The conference will be  
held in early November 2020. Houston is  
the 4th largest city in the USA with a  
metro area population of almost 7  
million people. Over 145 languages are  
spoken in Houston and social justice is a  
major theme not only within the city, but  
also within one of the largest school  
districts in the USA. More information  
will be forthcoming as to the call for  
proposals and other important  
information early 2019.

### **Our Products and Services**

WFATE provides an occasional  
newsletter which highlights member  
activities, international conferences, our  
own biennial conferences, and general  
information related to our mission.

WFATE publishes the Journal of the  
World Federation of Associations for  
Teacher Education (ISSN 2520-6), an on-  
line, peer reviewed journal.

WFATE publishes (through the journal)  
the proceedings of the Biennial  
Conferences.

WFATE also sponsors Research  
Development Groups that allow  
individuals to network with others who  
share interests and research foci.
